

UNCORK local love

We  downtown!

Downtown is a short stroll from the salon as a new you to the coffee shop with old friends and a fresh brew...

Downtown is a night out for dinner and a movie...

Downtown is shopping with the girls, or having a beer with the guys...

Downtown is a walk in the park, or a sit-a-spell at the lakeshore and sunset shimmering on the water...

Downtown is a reminder of our history, a constant when the rest of the world is spinning too fast...

Downtown is
the heart of our community...
and once you have been there,
downtown Paw Paw will hold
a special place in your heart.
